

**Name:** Chandra Renouf

**Student Number:** 13911944

**Position(s) I am nominating for:** Socials Director and Careers (Activities) Director

**Reason why I am nominating myself:**

- I am passionate about organising events and activities which facilitate a greater sense of belonging and membership within the Law cohort.
- I believe that Law school is all about getting involved; whether this relates to myself personally, or encouraging others to get involved and get the most out of their law school experience.
- I would love to be part of a team that aims to provide diverse opportunities for students.

**Experiences which will assist me:**

For the role of Socials Director, I have had experience in organising events consisting of over 100 people, as well as short-term work experience. For example, I was the principal organiser for my school formals from years 10-12 at locations such as the Shangri-La Hotel and Miramare Gardens. The organisational skills attained from this experience will also assist in the the Careers (Activities) Director role in regards to the organisation, arrangement and promotion of a range of initiatives.

**What I will bring to the role:**

For the role of Socials Director, I will commit to organising and promoting the annual LSS social events and ensure that the information reaches all UTS Law students so that all students have the opportunity to be part of the events. I would also like to organise intervarsity social events in partnership with other university law societies and conduct a range of catch-up activities for the entire cohort to get involved in. I hope that this will create a more cohesive law student body and a sense of pride in being a UTS Law student. For the Careers (Activities) Director role, I will ensure that I am up to date with all relevant legal opportunities to share with students and ensure that there are adequate opportunities throughout the year to network and gain information on the vast range of career paths available to law students and be the first point of call for all careers related matters.

**What I will assist the council with next year:**

I will be an active and willing member of the society, who will always aim to go above and beyond what is expected of me. In this way, I will consistently offer assistance to other council members, thus working to collaborate and create a genuine sense of teamwork within the society. Most importantly, I will be open to taking on new challenges as they arise and promise to commit to my role entirely.
