

Name: Emily Alexandra Kliman

Student Number: 13600491

Position(s) I am nominating for: Postgraduate Representative & Wellbeing Director

Reason why I am nominating myself:

I am nominating myself because I believe I thrive in leadership positions and I would like to help make the Law Students Society's goals become a reality 2021. I am firstly nominating for the role of Postgraduate Representative as I am a postgraduate student and I would like to find a way to bring more of the post graduate students together to develop a greater sense of community amongst the students via the initiatives that the role entails and include some new ones of my own. I am secondly nominating for the role of Wellbeing Director as I was a member of the Wellbeing Sub-Committee for 2020 and have really enjoyed planning and executing all of the initiatives that this portfolio entails. I would like to continue the success of those events and also develop an initiative to help law students maintain their wellbeing during the transition back to on campus learning.

Experiences which will assist me:

My experience of being a postgraduate student and feeling quite disconnected from the rest of my postgraduate cohort has made me passionate about the role of Postgraduate Representative and passionate about developing some new initiatives to bring people together. In my role on the Wellbeing Sub-Committee I have learnt how to plan and execute all of the events put on by the Wellbeing portfolio and I will use this experience to assist me in 2021 in running the Wellbeing Sub-Committee and all of the portfolio's initiatives.

What I will bring to the role:

To both of these roles I will bring exceptional organisation skills. I will also bring time and people management skills, to ensure each event is planned well ahead of time and executed with a high degree of skill. Most importantly, I will bring enthusiasm for either role if elected as I hope to bring law students together with some fun and enriching events to enhance their university experience.

What I will assist the council with next year:

Next year, I will assist the council by ensuring the smooth and skilled execution of either of these roles. Additionally, I am willing to assist all other council members with their own portfolios' initiatives and attend where possible in order to enrich all law students' experiences through these events.
