

VOTE [1] MARK JOSEPH SAMUEL FOR UTS LAW STUDENTS' SOCIETY PRESIDENT

Name: Mark Joseph Samuel

UTS Student Number: 12912376

Position Nominating For: President

An LSS inclusive of *your* voice, an LSS that brings *you* new opportunities, an LSS that enriches *your* experiences and an LSS that empowers *you* are my principle ambitions. I hope to foster a culture that enables *you* to actively engage in the society's many initiatives and elevates *your* UTS:Law school experience.

My innate passion for people and deep sense of servant leadership was fuelled by serving as the UTS LSS First Year Law Representative in 2017, UTS LSS Client Interview Director in 2019 and this year's UTS LSS Vice-President (Competitions). It is the many experiences I have had within the LSS that drives me and inspires me to further expand and enhance *your* experiences.

Additionally, having devoted three years on the UTS LSS coupled with my experience as a Socials Executive in 2018 and Education Director in 2019 for the UTS Communication's Society I have developed and strengthened my leadership and organisation skills, to ensure that we do the most, so *you* get the best opportunities and initiatives possible.

Inclusivity is at the heart of the UTS LSS. So, no matter what year you're in or how involved you've been in the past, I want to make sure *you* feel welcome, enabled and excited to engage with the many initiatives the UTS LSS has to offer. I hope to do this by creating new ways *you* can connect with peers, such as year group catch ups and by listening to your ideas and suggestions through a permanent feedback/suggestion section on the UTS LSS website. I hope to empower *you* by implementing pre-penultimate year career initiatives and balancing beyond corporate and corporate career events. Additionally, I hope to introduce a First Nations Officer, Queer Officer and Wom*n's Officer under the Social Justice Portfolio to ensure the UTS LSS does not just address social concerns but is a body of advocacy. Moreover, I hope to create new and exciting opportunities for *you* by exploring and developing new ways for *you* to get involved with UTS LSS publications such as a potential elective guide video series and further resources and development of the UTS LSS Mooting and Skills Competitions. I hope I have the opportunity to prove to *you* that these are not empty words. With me, *you*, *your* voice and *your* experience are at the forefront.
